16 This case is scheduled for a Final Fairness Hearing on Settlement on **March 21, 2011 at 9**  
17 **a.m.** Upon review of the parties' papers submitted to date in support of Final Approval,<sup>1</sup> the Court  
18 finds the parties' submissions insufficient. In particular, the Motion for Final Approval of Class  
19 Action Settlement fails to update the Court on the number of claims made to date, if any. (See  
20 Docket Item No. 192.) Accordingly, the parties shall be prepared at the March 21 Final Fairness  
21 Hearing to provide the Court with an interim report as to the number of claims filed against the  
22 Settlement fund as of the date of the Hearing.
